

Heaven scent

Aries

21 Mar – 20 Apr

The Aries woman is the pioneer of the zodiac. Independent and fun loving, she endears herself to others with her fresh exuberant approach to life. This exciting woman has an uncomplicated air about her and a charming naivety. But don't be fooled, she's ardent and adventurous. In fact the spontaneous Aries woman is one of life's primary movers and shakers.

Ruled by the planet Mars, she's wildly passionate and impulsive. Be warned, she'll seldom take no for an answer once her heart is set on something or someone. Feisty and fiery by nature, she craves excitement and thrives on sheer intensity of experience.

This woman moves in overdrive, living for the tantalizing thrill of life's next challenge. Often found in executive positions, her direct manner is guaranteed to command respect.

Youth Dew

The Aries woman is naturally drawn to perfumes that are outgoing and evoke a sense of warmth. The sensual fragrance notes of sandalwood and benzoin match her boldness and dynamic self-confidence.

Taurus

21 Apr – 21 May

The Taurus woman exudes an earthy feminine quality. Usually very attractive physically, she moves through life in an unhurried and easy manner, determined to savour life's pleasurable experiences to the full.

Ruled by the planet Venus, she's deliciously feminine and very magnetic. Extremely sensuous, she's in touch with her own body and the physical world. Very tactile, her senses of smell and touch are highly developed. In order to appeal to her senses, things must look, feel and smell just right.

Born with a love of beauty, she's blessed with good taste. She absolutely adores good-quality items and will surround herself with beautiful, often expensive, possessions. Possessing a conservative and elegant manner, she's inspired by glamour, success and money.

Lolita

Classic perfumes that evoke moods of sophisticated romance and elegant sensuality have appeal. The feminine notes of cedar, tonka bean and vanilla hint deliciously of her Taurus spirit.

Gemini

22 May – 21 Jun

The gregarious Gemini woman has a sparkling and vivacious personality. Ruled by the planet Mercury, she is as changeable as quicksilver. Effervescent and friendly, she's certainly never boring. In fact her madcap personality and her sensational sense of humour make her a sheer delight to be around.

The Gemini woman is the delight of any party hostess. The proverbial social butterfly, you'll find her at the hub of any social gathering, dazzling people with her quick wit and captivating them with her clever mind. She likes to be where the action is.

Smart and sophisticated when she wants to be, the Gemini girl loves a dash of glamour and glitz. With her irrepressible personality, there is nothing staid about this lovely lady.

DKNY

The Gemini woman wants a perfume that is sophisticated, a little frivolous and, most of all, fun, with fragrance notes reminiscent of orange blossom and gardenia. She wants something that matches her romantic yet capricious nature.

Cancer

22 Jun – 23 Jul

The Cancer woman is fascinating and mysterious. Super-sensitive, she has profoundly deep feelings, which she keeps to herself along with her most heartfelt secrets. You never quite know what's going on beneath the surface.

Ruled by the Moon, her feelings can wax and wane in intensity and in accordance with the cosmic tides. One moment she can be cool and remote, the next lovingly romantic. Fragile and incredibly vulnerable, the Cancer woman's feelings are easily hurt. She wants to feel nurtured and secure. She'll retreat in the blink of an eye and won't re-emerge until her trust is regained.

The Cancer woman wants to cherish and to be loved. Tender and romantic, she places great sentimental value on family traditions.

Freedom

The Cancer woman loves a romantic but classic floral perfume that is not too overwhelming. Fresh and flowery notes of rosewood and peach blossom suit her. Conventional at heart, she prefers something with a touch of whimsy and a lasting fragrance.

With Valentine's Day upon us, it's an ideal time to buy – or have bought for you – some special fragrances. Check out our zodiac fragrance guide by New Zealand Woman's Weekly astrologer Franchelle Ofsoské-Wyber to discover the perfume that is perfect for you

Leo

24 Jul – 23 Aug

The Leo woman emits a charismatic powerful presence. Ruled by the Sun, she radiates striking self-assurance and dignity. Used to creating a big impression wherever she goes, Ms Leo is personality plus and she literally leaves them reeling with her poise, magnetism and sheer sex appeal.

This woman likes to have some degree of emotional high drama in her life and flourishes when she is the centre of attention. Exuding a regal air, she demands the best of everything; in fact the bigger and grander, the better. Full of ardour, she delights in love, and revels in romance. Grand passion is her weakness.

A classic romantic, she adores spectacular expressions of love. An extravagant pleasure-loving creature, the tangible reality of glamour and fame fascinates her.

Beautiful

Fabulous packaging, classy labels and top names impress her. Perfumes that appeal to Ms Leo are majestically opulent and extravagant. An oriental floral or romantic fragrance containing palma rosa and ylang-ylang is perfect.

Virgo

24 Aug – 23 Sep

What you see is definitely not all you get with the Virgo woman. Ruled by the undiscovered planet Vulcan, the Virgo woman is a source of eternal mystery and delight for those who are astute enough to sense what lies hidden beneath the surface.

Behind her cool inscrutable exterior she burns with a pure white-hot fire. Discriminatingly passionate, she moves through life in a seemingly detached fashion. Acutely aware of the true inner nature of beauty she's seldom content to settle for anything less.

Contained and elegant, she may appear shy to those who don't know her. However, don't be fooled, even though she is not a glamour girl or a flirt, she's undoubtedly one of the most feminine signs of the zodiac.

White Linen

She loves quality so chic yet classic perfumes suit her well. Perfumes that are cool yet carry a hint of yet to be discovered mysteries complement her personality. She adores floral romantic fragrances with a hint of rose, neroli and tuberose.

Libra

24 Sep – 23 Oct

Usually attractive, the Libra woman can seem to effortlessly beguile with her many charms. A born flirt, she's capricious and deliciously changeable. Intelligent and witty, she captivates others with her scintillating personality.

The Libra woman is stylish. She's attracted to all that is refined and will shy away from anything vulgar. She desires an abundance of beauty in her life. In love with love, she needs lashings of romance in her life to feel alive. She seeks to surround herself with gorgeous items and is generally known for her good taste.

Mischievous at heart, she loves to dazzle and entrance. Her passion for beautiful clothing means she can wear almost anything and look stunning.

Dazzling Silver/ Gold

Romantic sensual perfumes with a lingering allure that hint at the pleasures of life and love suit the stylish Libran woman. She is someone who is instinctively drawn to the charm of natural floral fragrances with a touch of orris and orchid.

Scorpio

24 Oct – 22 Nov

Still waters run deep with the Scorpio woman. Seemingly unapproachable, she is the most complex and multifaceted character of the zodiac.

Incredibly perceptive, nothing escapes her attention. Intensely private, she keeps you guessing but she's not playing games; she's just made that way. A lover of intrigue, she has plenty of secrets but you can be assured she faithfully keeps your innermost confidences. Loyal to the core, once this woman has promised you something, nothing will make her change her mind.

Ruled by the planet Pluto, she's extreme, passionate and an emotional powerhouse. All-consuming emotional experiences to her are the stuff that life is made of. Her sultry air and smouldering ways are bewitching.

Aromatics Elixir

The Scorpio woman suits an exotic fragrance which enhances her enigmatic personality and hints at her smouldering passion. The woody, floral combination of patchouli and jasmine set senses reeling.

...Heaven scent

Sagittarius 23 Nov – 22 Dec Capricorn 23 Dec – 20 Jan

The Sagittarius woman is a real live wire. Spontaneous and full of life, she is always on the move. Ruled by the planet Jupiter, she has her eye on what is just over the horizon.

Adventurous and a true freedom seeker, she loves to live in the moment, rather than thinking about forever. The unknown and the unexplored act like a magnet. Enthusiastic and vivacious, she has to be where the action is. Plugged into life, the sheer experience of living creates one adrenaline rush after another for this woman. You'll often find her involved in challenging activities or outdoor pursuits where she can experience the necessary dose of excitement and risk taking.

To the charmingly frank and beautifully uncomplicated Sagittarius woman, life, love and romance must be fun.

Pleasures

Perfumes need to be fresh, light and natural for the Sagittarian woman. She doesn't want anything too fussy and it must have style. The green floral notes of lily of the valley and hyacinth reflect her spontaneous attitude to life.

The Capricorn woman has a dignified air about her. Ruled by the planet Saturn, she is usually very beautiful. Her distinctive bone structure and high cheekbones often give her elegant quality and ensure that she ages gracefully.

Radiating a quiet power, she emanates a cool confidence. This woman excels in the business world and can often be found in positions of authority. She's especially capable of managing her financial and worldly affairs and demonstrates a remarkable ability to inspire trust in almost everyone she meets.

Innately aware of the importance of presenting the right image to the outside world, she knows that quality is a must. She enjoys tasteful expensive clothing and prefers a style of dressing that reflects her own understated loveliness.

Knowing

The Capricorn woman needs a distinguished fragrance with a rich expansive complexity to do her justice. The uplifting feminine floral fragrance notes of vetiver, amber and carnation subtly hint at her carefully concealed vulnerability.

Aquarius 21 Jan – 19 Feb Pisces 20 Feb – 20 Mar

The Aquarian woman has an elusive quality about her. Her hauntingly wistful beauty is a magical combination that never fails to impress.

An individualist, she dances to the rhythm of freedom-loving Uranus. The Aquarian woman needs plenty of mental freedom to explore and experiment. Her brilliant mind and eclectic insights mean that she can see things others cannot. One step ahead of everyone else, the self-ruled Aquarian woman is an eternal mystery. She's fascinating and impossible to pin down. Candid and frank, yet possessing an exquisite other worldly quality, she enchants all who come into her sphere of influence.

Unforgettably charismatic, she has a way of instantly disarming others with her quintessential femininity. The Aquarian woman needs a perfume that captures her independent ways and her indefinable magic.

Escada

Conventionally romantic perfumes are not the ones for Ms Aquarius. Instead she suits fragrances with a radiant green fragrance note. Perfumes containing magnolia and narcissus project an air of unrivalled femininity and hint at her ethereal nature.

The Pisces woman is the eternal dreamer. She is legendary for her deep feminine mystique and her elusive charm. Usually renowned for her kindness, she demonstrates qualities of gentleness and compassion for her fellow beings.

Highly intuitive and often psychic, she often possesses an uncanny capacity to know exactly what others are thinking or feeling. Possessing the soul of an artist, she has a profound appreciation of beauty in its myriad forms. Highly sensitive to sights, sounds, colours and smells, the Pisces woman is deeply affected by fragrance.

Living for the experience of feeling, she seeks experiences that will transport her to a place of emotional rapture. Swept away by sensation, the Pisces woman finds the splendour of romantic love irresistible. An idealist at heart, she truly does believe that love conquers all.

Intuition

The Pisces woman needs a classically feminine perfume that is suffused with fairytale romanticism. The warm sensual fragrance notes of oak moss and benzoin give a lingering, subtle mysterious scent that is perfect for Ms Pisces.
